

# CRANBROOK DAY CAMP WEEK 8 AUGUST 9-13

This week at camp we finished the summer with a bang! Campers were able to participate in all of their favorite activities as well as learn new skills. On Friday this week, we celebrated the end of camp with our giant inflatable slip-n-slides. Campers always look forward to ending the camping season with this fun-filled celebration!

# SHARE THE EXPERIENCE!

## Questions to ask your camper

- What did you put in your nature sun catcher?
- Which inflatable waterslide was your favorite?
- What has been your favorite camp memory from this summer?
- What was something new you learned this week?
- Tell me about a new friend you made this week!

**THANK YOU FOR AN  
AMAZING SUMMER!**

### **This summer at camp...**

While so much has changed in the past year, this summer we embraced and cherished the normalcy of camp life. It was truly a joy to welcome campers back for our camp season! We are so grateful to have been able to safely come together as a camp once again. Campers enjoyed making new friends and making memories that will last a lifetime! Campers were able to try things that they have never done before like archery and canoeing, and they were able to improve on skills that they already had like kicking, passing, and dribbling! Campers embodied the CDC motto by being kind, showing respect, and having good character. This year, we connected with the nature around us on Cranbrook's campus through our many different "Outdoor Exploration" activities! Find out which activity was your camper's favorite!

From all of us at Cranbrook Day Camp, thank you for such an amazing summer! It could not have been possible without your support! We have loved getting to know your children, and watching them learn and grow at camp! We hope to see you again next year! Look for email communications about the 2022 summer camping season at the end of December! We have some amazing new Friday activities that your camper will not want to miss out on!

Sincerely,  
Cranbrook Day Camp Administration
