

Kingswood Newsletter

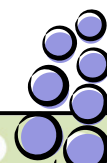

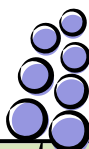

Week 8

Thank you for an amazing summer!

What a great summer we've had at KDC over the past eight weeks! Our final week ended on a sweet note with our watermelon hunt. The kids had a blast searching for watermelons and enjoying their delicious reward.

Thank you to all our campers and families for making this summer so special. We'll see you next year for more fun and adventures!

Activity Highlights

Nature

It was a great week in nature! Campers had the chance to explore the grounds around Kingswood and enjoy the beautiful weather outside.

This week in yoga, campers enjoyed a calming meditation break. It was great to have the chance to wind down for a few minutes in between busy activities!

Music

In music this week, campers practiced their singing by playing several games involving different vocal exercises! It was a blast.

Archery

For archery this week, campers continued to practice their form while drawing and shooting arrows as well as their aim. There has been so much improvement since the first few weeks of camp!

Activity Highlights

Sports

This week in sports, campers got active by playing a variety of outdoor games! It was an amazing way to end the last week.

Drama

This week in drama we played some fun games and performed skits! Campers had a lot of fun getting into character.

Art

This week campers created thank you cards for different staff members at our camp and on campus!

Tennis

In tennis this week campers continued to practice their hitting and serves. It was another great week!

Activity Highlights

Canoe

Dance

In canoeing this week campers continued to practice their paddling skills and played fun games out on the water such as tag!

We finished out dance for the summer with a variety of games that campers had enjoyed throughout the summer! These included Dance Telephone and Simon Says (dance edition).
