

KINGSWOOD DAY CAMP!

Week 8

WELCOME TO KINGSWOOD!

This past week we had a lot of fun watching the Theatre Camp perform Disney's 101 Dalmatians Kids and Disney's Descendants! The shows were amazing and the campers loved it! The campers also enjoyed wearing their Disney apparel on Friday. Also on Friday, the campers performed and watched their fellow campers share their talents. Talents included singing, magic, Irish Dancing, playing musical instruments, Hula-Hooping, showing soccer skills, and more! Ask your camper which performance was their favorite!

We cannot believe that we are entering our last week of camp! We are looking forward to all of the fun activities we have planned for our final week of camp!

Our Groups are always encouraged to explore Cranbrook's historic campus and natural beauty during nature walks and outdoor exploration. Ask your camper what their group did and what their favorite activity was!

IMPORTANT:

Please call or email the KDC Office
if you know your camper will be absent
or late for any reason.

Rain-Day Reminders

If it is raining during the morning drop-off or afternoon pick-up, please proceed down the loop where the counselors are standing under the covered area.

Counselor Spotlight!

Hi, my name is Grace and I am a counselor for group 7, Redwood! I am entering my junior year at Michigan State University, and I am majoring in International Relations. This is my first year at Kingswood Day Camp, and my favorite thing about camp is canoeing and playing sports. My favorite thing about being a counselor is watching my campers try new activities! When I'm not at camp, I like to visit Lake Michigan and swim.

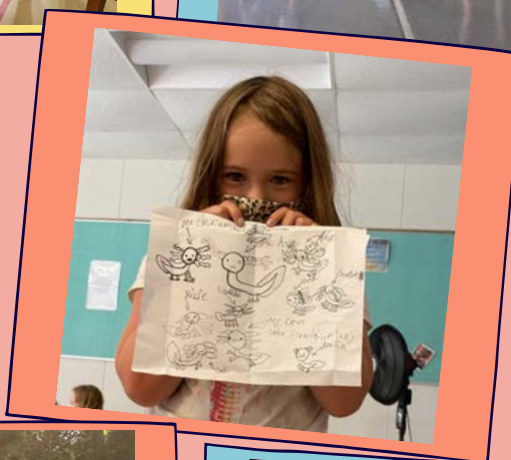

Hi! My name is Michelle and I am a co-counselor for group 9, Elm! I am a fourth year at Lawrence Technological University where I am studying architecture. This is my first year at Kingswood and we have done so many fun things this summer! Some of my favorite things include archery, canoe, our Camper versus Counselor Basketball game, and seeing the Theatre Performances!

Hello, my name is Zaria and I am a counselor for group 5, Palm! I attend Tennessee State University where I am majoring in Early Childhood Education with an minor in Special Education. This is my first year at Kingswood! My favorite thing about being a counselor is being able to have fun with the campers while building a bond with them. I love participating in the activities with the campers, especially yoga, sports, and nature walks!

Week 7 Highlights

Please take some time to look at and read about the activities the campers have done this week and what is to come!

Week 7 Highlights

This week in archery we worked on targeting and aiming for specific areas of the target. Since we had Disney Day on Friday, we also did some Disney trivia during archery! The girls had a great time at archery this week! Next week will be the annual Kingswood archery tournament!
-Olivia

This week in dance was choreography week! We learned about dance storytelling and using dance to represent the music. The campers had lots of fun creating their own dance moves! Next week I am looking forward to teaching a new upbeat dance!
-Grace

Yoga was exciting this week! The campers had a very challenging week for yoga Olympics with the various events, we even had a tie-breaker on Friday! Next week will be the final week for the Olympics! Ask your camper what their favorite event was!
-Kayla

This week in sports we learned the fundamentals of soccer and basketball. The campers participated in multiple team scrimmages that were a lot of fun! We are all looking forward to a fun last week of camp and in sports!
-Riley

In art this week, campers learned a technique of watercolor resist by drawing designs with white crayons before painting over them. The younger campers also decorated and made paper pinwheels, while the older campers put their own twist on Van Gogh's Starry Night by recreating the famous painting in a unique way. Next week the girls will work on a collaborative mural with their groups, as well as create mosaics out of scraps of paper!
-Bethany

This week in science, the girls got to go on a nature walk to make their own nature bracelets and played a science version of Family Feud. They also got to try orange slices dipped in baking soda which caused a fizzy reaction in their mouth! Some girls loved it and some had very funny reactions to it! Next week, we will end camp with a coke and Mentos volcano, a static electricity experiment, and making edible DNA!
-Dakota

It was another amazing week in drama at Kingswood! Campers learned about tableaux and pantomime, and they were able to tell a complete story use only tableaux! The focus of this week was working as a team and an ensemble. Next week will be filled with fun games and activities to wrap up what we've learned!
-Ava

I can't believe that next week is our last week of canoe! Campers are wrapping up their final times of canoe and it is hard to get them out of their canoes! The campers have enjoyed canoeing around the lake and being outside. Everyone has been improving so much and I can't wait to see them show off their skills in our final week!
-Geoffrey

This week in music we played an exciting game of musical chairs. Next week the campers will be getting into groups and be performing a song they made up from words they will pick out of a bowl!
-Sara

In tennis this week, the campers played various games that improved their tennis skills! These games included warm-up drills where they had to bounce a ball on the racket and then dribbled the ball with their racket on the court, and then Jail Break!
