Picasso's P.A.R.R.O.T. Posse

Picasso the Parrot is Summer Art Studio's mascot.

Part of our camp's culture is embodying qualities that help make camp fun, where we strive to be the best that we can be. Parrot stands for:

Polite
Attentive
Respectful
Responsible
Organized
Teamwork

Each day, Summer Art Studio has an award ceremony where several campers are nominated to become part of Picasso's Parrot Posse. Out of the five nominated, two campers are chosen, one from the junior division and one from the senior division, and they become part of the Parrot Patrol – helping us to find other campers that also embody PARROT!

We hope your child will join us in helping to be PARROTS while spending time with us this summer. Be sure to ask your child about PARROT and what they are doing to make conscious choices towards being a PARROT.

JUST A REMINDER

- Open toed footwear and Heelys are not allowed at Cranbrook Camps. This is a safety issue. Examples of acceptable footwear are: Sneakers, tennis shoes, etc.
- Two snacks per day and hot lunch (if opted for) are provided for your child. Please be sure to send water (or other beverages for lunch) with your child as there will not be beverage service available at Cranbrook. We recommend a water bottle which they will be able to fill throughout the day.
- On Thursdays, we swim at the Williams Natatorium. Please, make sure your child has a swimsuit and a towel if swimming.
- Drop off is from 8:45 am - 9:00 am and pick up is from 3:00 pm – 3:15 pm.
- During pick-up and drop-off, continue to move as far forward as possible. Please do not exit your vehicle when you are in line, staff will be available to help your child enter and exit through the passenger side doors.

Thank you for all of your cooperation in helping us create a fun and safe camp experience for your artist!

JUNIOR DIVISION

Fibers/Fabric: This week in Miss Reilly's class, we learned about Creature Creation! Campers designed a creature from their imaginations with powers and stories, names and special diets, and even homes!

Olivia H: Pumcinswing is an amazing jaguar-shark-pumpkin-dragon! Who can talk to pumpkins and controls the weather!

Benjamin W: Elephant Frog is so kind! He heals allergies! He's cute, too!

Aya Z: Spots is a beautiful unicorn, with pizza wing, is part cheetah, and is super fast!

Giselle M: created a beautiful bird named Summer who has fire and ice powers! WOW!

Levi C: Burg is absolutely amazing! It's a dog and burger who magically makes burgers for you! His habitat is also a salad patch!

Gottlieb Z: Dragsnake is a mountain dragon made of crystal who can turn invisible! So cool!

Hannah L: Mr. Salady Catty is a healthy bearcat made of vegetables! Yummy!

Camden W: Ruff Woof is a friendly dragon. He can heal, breathes fire, and keeps a special crystal! Amazing!

Emma W: her flying kitty is a beauty who eats rain and has wings!

Painting: Hear ye, hear ye! This week in Miss Kat's room, campers are creating lavish portraits of royals, taking inspiration from the French painter, Georges Rouault, whose work contrasts bold lines with bright colors. Each camper has spent time imagining a king or queen that is fit to rule the lands of Summer Art Studio!

Angela D: Angela's queen is ready to rule the lands with her cute animal friends!

Antony H: Antony's nimble noble wears a magnificent crown full of diamonds! Oh I just can't wait to be king!

Brayden S: Brayden's king will help anyone reach for the sky as he sits on a throne of fluffy clouds!

Grace M: Grace is painting a fabulous queen, everyone in the kingdom admires the queen, her grace!

Kaitlyn S: Kaitlyn is working on a friendly smiling queen, happy is the head that wears the crown!

Quinn M: Quinn's Queen is donning her fanciest robes to get ready for the next royal ball!

Ceramics: This week in Miss Madeleine and Ev's class, campers practiced their hand building and traveled to a faraway land to make their own mythical creatures! In addition to the creatures, campers considered the environment that their creature lives in from found materials.

Rachel P: carefully sculpted a unicorn and a mountain. She was also very considerate in making a carrot just in case her unicorn was hungry. This reflects her exceptionally responsible behavior at camp.

Katherine E: forged a thunderbird from her clay, she is not intimidated by storms. Katherine is incredibly calm and collected, capable of weathering any storm.

Chloe H: explored the creation of conceptual art when she was inspired by the movie, Inside Out. She created a unique crown with horns. Though her crown is pointed, she is always polite.

Jonas L: is energetic and curious about the world and its creatures, both real and imagined. He molded an Ewok and a Basilisk. Jonas is a gifted entertainer and shares hilarious jokes with us daily!

Jocelyn P: took an anatomical look at creature creation by crafting a dragon's skull! Jocelyn is truly an out-of-the-box thinker and naturally creative. Her flexibility in thinking makes her a vital team player at camp!

Emme S: loves animals so much that she created new, hybrid creatures: a speed hopping, cheetah bunny and a lovely rabbit ladybug elephant. Being the kindhearted animal lover that she is, Emme is incredibly polite and respectful of her fellow campers.

Abby V: was inspired by the movie trolls. She created two, beautifully crafted and detailed trolls. Abby pays as much attention in her classes as she does to the details of her artwork!

Hugo W: is attentive like his snake-neck turtle and reliable like his good old-fashioned American cheeseburger. Hugo models impeccable organization skills and shows respect to all his fellow campers.
