Picasso's P.A.R.R.O.T. Posse

Picasso the Parrot is Summer Art Studio's mascot.

Part of our camp's culture is embodying qualities that help make camp fun, where we strive to be the best that we can be. Parrot stands for:

Polite
Attentive
Respectful
Responsible
Organized
Teamwork

Each day, Summer Art Studio has an award ceremony where several campers are nominated to become part of Picasso's Parrot Posse. Out of the five nominated, two campers are chosen, one from the junior division and one from the senior division, and they become part of the Parrot Patrol – helping us to find other campers that also embody PARROT!

We hope your child will join us in helping to be PARROTS while spending time with us this summer. Be sure to ask your child about PARROT and what they are doing to make conscious choices towards being a PARROT.

JUST A REMINDER

- Open toed footwear and Heelys are not allowed at Cranbrook Camps. This is a safety issue. Examples of acceptable footwear are: Sneakers, tennis shoes, etc.
- Two snacks per day and hot lunch (if opted for) are provided for your child. Please be sure to send water (or other beverages for lunch) with your child as there will not be beverage service available at Cranbrook. We recommend a water bottle which they will be able to fill throughout the day.
- On Thursdays, we swim at the Williams Natatorium. Please, make sure your child has a swimsuit and a towel if swimming.
- Drop off is from 8:45 am - 9:00 am and pick up is from 3:00 pm – 3:15 pm.
- During pick-up and drop-off, continue to move as far forward as possible. Please do not exit your vehicle when you are in line, staff will be available to help your child enter and exit through the passenger side doors.

Thank you for all of your cooperation in helping us create a fun and safe camp experience for everyone at Summer Art Studio.

JUNIOR DIVISION

Drawing: This week in Miss Kat's class, campers are packing their suitcases to travel to distant lands, some even out of this world! But don't worry, they didn't forget to send you a postcard! Each camper used their imagination and practiced creative thinking during the planning and designing process to draw unique environments that they wish to visit. The sky is the limit!

Ari R: is saying "Hi!" from under the sea, where he went diving and saw many different sea creatures!

Ava Z: discovered unicorn land, where only the purest of heart can find this magical rainbow kingdom!

Soli A: is going on a trip in her favorite rocket ship all the way to outer space, maybe she'll meet some alien friends!

3D/Dimensional: This week in Lane's class, we created animal popsicles from model magic. They have captured wild, tropical, and even endangered flavors to tempt your taste buds. We're very excited for you all to taste them! (Barking, squawking, hissing, and growling popsicles are not edible!!)

Peilan R: make sure to hold on tightly, this parrot pop is bound to fly away!
