#### Picasso's P.A.R.R.O.T. Posse

Picasso the Parrot is Summer Art Studio's mascot.

Part of our camp's culture is embodying qualities that help make camp fun, where we strive to be the best that we can be. Parrot stands for:

Polite  
Attentive  
Respectful  
Responsible  
Organized  
Teamwork

Each day, Summer Art Studio has an award ceremony where several campers are nominated to become part of Picasso's Parrot Posse. Out of the five nominated, two campers are chosen, one from the junior division and one from the senior division, and they become part of the Parrot Patrol – helping us to find other campers that also embody PARROT!

We hope your child will join us in helping to be PARROT while spending time with us this summer. Be sure to ask your child about PARROT and what they are doing to make conscious choices towards being a PARROT.

### JUST A REMINDER

Thank you for all of your cooperation in helping us create a fun and safe camp experience for everyone at Summer Art Studio.

Jonas L: truly impressed us with how uniquely he refashioned all the leaves he gathered.

**Photography:** This week in Miss Reilly's class, campers were introduced to photography collages! Campers learned about the history of photo, found spots to take candid photos, and layered textures over drawings to create their unique collages! We'd say we did it in a SNAP!

Avan S: is super at taking photos! Photographers are like superheroes, they can freeze time.

Evan M: came, saw, and he captured some really great moments! Nice job, Evan!

Kate M: has great focus and when life gets blurry, she adjusts her lens and things come into view.

Lara G: photography is a 'developing' hobby in Lara! She took some beautiful photos.

Lauren S: really just 'clicked' with this photo project! Great work, Lauren!

Mia S: has a great photographic memory cause she never runs out of film!

**Cartooning:** This week in Miss Heather's class, campers learned about composition and character development when they created movie posters inspired by themselves or a story they created!

# SENIOR DIVISION

**Ceramics:** This week in Miss Madeleine and Ev's class, campers created a luminary town! From Hobbit Holes to bakeries, the campers learned slab building and some hand building techniques.

Anna S: stole the show with her bakery that'll be good for your sweet tooth.  
Annabel E: was on a roll with a scrumdiddlyumptious bakery!

Cayden S: is a fun-gi by making a mushroom café.  
Claire A: got her scoop on and made a *sweet* ice cream shop.  
Imani M: scored a donut-hole in one with an awesome donut shop!  
Julia L: had a pet shop and focused while working this week.  
Madison G: created a shockingly awesome cityscape with a bridge.  
Penelope P: made an absolutely ribbit-ing frog house!

**Acrylic:** This week in Miss Kat's class, campers created fauvism landscapes. An early 1900's French art movement full of bright colors and contrast to capture the energy of each scene, went against the grain of realistic-style paintings during that time period. The campers were inspired by the works of Henri Matisse and André Derain, the leaders of the fauvism movement. The french word "fauves" means wild beast, in reference to the wild colors and nonconformist style used during that time period.

AJ M.H: painted a grassy landscape with houses and some friends from Loony Toons. Eh, what's up doc?  
Anna H: created a colorful amusement park with a ferris wheel! It's wheely awesome!  
Ella G: seas the day with her beach landscape; each brush stroke would make Matisse proud!  
Graham K: worked on a fin-tastic oceanfront beach complete with swaying palm trees!  
Jake K: will call you from his shell phone while he's hanging out at his fauvism-style beach!  
Maddy M: painted a Hobbit house in the hills of her landscape just in time for second breakfast!  
Maria S: carefully crafted a Japanese pagoda that sits over a river, how serene!  
Sara Q: says surf's up as she worked on a beach landscape that contrasts many color pairings!  
Tanya A: created a vibrant cabin in the woods that you wood not be-leaf!
