This Week's Highlights:

The theme for Week 7 was "Powerhouse of the Cell." Campers explored biology and health sciences, including the human body, ecosystems, and the marvels of cellular life. Activities from this past week included DNA extraction, owl pellet dissection and analysis, tastebud lab, bird beak adaptation demonstration, and many more!

Looking Ahead:

The STEM Camp theme for Week 8 is **Deep Dive!** Campers will dive into the fascinating world of oceanography and marine biology! This week, young adventurers will explore the mysteries of the deep sea, learn about diverse marine ecosystems, and discover the incredible adaptations of ocean creatures.
