STEM CAMP

WEEK 2

EcoDetectives Grades 3-5

Campers become detectives and storytellers as they spend the week learning about ecosystems and the science of the natural world, in order to get to the bottom of a series of strange events in the fictitious city of Eyetooville.

Space Exploration Grades 6-8

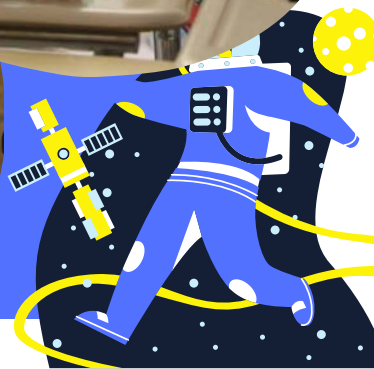

Campers explore space and science during this out of world week! We will design spaces for living beings in space, and the dive into the en
