

YOUTH MULTI SPORTS CAMP

Our sprinkler tent came in very handy again this week as we fought the heat. We also successfully overcame an attempted Pokemon takeover. But, most importantly, we focused on our sports skills, improved Soccer and Basketball dribbling and scoring, and learned basics and beyond of Baseball, Football, Field Hockey, and Lacrosse.

We also enjoyed walks through the shaded paths of Cranbrook Campus and visited Steggy and his smaller friend near the Science Institute. Our swim sessions also continue to be a fan favorite as many of our campers passed the swim assessment and love splashing in the deep end.

We thank you, parents, for allowing us to get to know your children and have fun with them! Have a great weekend!

WELCOME TO YMSC

We have another fun-filled week planned with our motivated staff, whose mission is to ensure a safe and encouraging environment for all campers to learn and improve their sports-related skills.

INTRODUCING:

Robert Kerr, Director

This is my debut season as YMSC Director. I have been a youth soccer coach for years and have worked for multiple professional and elite amateur hockey and soccer teams in the past. My wife and I are proud parents of two and reside in Metro Detroit. I am beyond excited to share the joy of sports and outdoor activity with your children this summer.

Maria, Assistant Director

I have coached multiple seasons of soccer, basketball, and lacrosse while raising my 4 sporty kiddos. One of them grew up to be a Cranbrook coach! My goal is for each camper to have fun, make friends, and grow while learning new skills in sports.

Juliana, Admin. Assistant

Hi, I had a fantastic year working with kids from PreK through 5th grade at Cranbrook Schools this past year and am excited to now spend time here with your campers. I am also a mom of three super active boys who, right now, love soccer, tennis, and all things Pokémon.

I am a certified Chinese language teacher. I have taught Mandarin at the middle-school and high-school level as well as at summer camps for over 10 years.
