***We are thrilled to be able to offer this Bravehearts experience for a \$200 donation. *The actual cost of the Sun & Sailing weekend is over \$800 per camper. Please seriously consider making an additional donation to Bravehearts.* Anything you can contribute will help ensure that we can continue to serve the cancer community in a meaningful way, in addition to adding new programs and expanding our current camps. We run several fundraisers each year to keep camp alive, and our Golf Tournament / Silent Auction Banquet is our number one fundraiser. We need donations to make this event a success. So we are asking our campers to donate one (or more!) of the following specific items:

\$25 AMAZON gift cards

\$25 national chain gift card (i.e. Macy's, JC Penney's, etc.)

Best,

Karen

STAY BRAVE!
