

MEET YOUR CINCYNATURE CAMP STAFF!

Anne Horne
Camp Director

Hi, I'm Anne, the Camp Director for CincyNature Camp! As Public Engagement Manager, I oversee our summer camp programs, public programs, and the Nature PlayScape - and work closely with our team to create safe, meaningful, and joy-filled experiences for every child.

I have worked as a camp professional in some capacity for 25 years. I'm passionate about helping children build confidence, curiosity, and a lifelong connection to nature. Whether campers are exploring the creek, hiking the trails, or creating nature-inspired art, my goal is to ensure every child feels welcomed, supported, and excited to be here.

I'm especially proud of our dedicated camp staff, who bring incredible energy, care, and creativity to each day. Together, we work to make camp a place where kids can try new things, make friends, and create lasting memories in the outdoors.

I'm so glad you're here and can't wait to share a wonderful summer with your family!

Hey, I'm Sydney! This is my 7th summer with CincyNature camps and I cannot wait to meet the campers!

I have a degree in Biology and Environmental Studies from the University of Cincinnati and just wrapped up a 2-year Environmental Interpretation Internship here at Cincinnati Nature Center.

You can find me catching snakes in the woods, reading a book near the lake, or line dancing down by the river. Here's to the BEST SUMMER EVER!

Sydney Robinson
Assistant Camp Director

MEET YOUR LONG BRANCH CAMP COUNSELORS

Summer 2026

Get to know the amazing team taking care of
your kids this summer!

Marcel

Long Branch Site Coordinator

Hello all, my name is Marcel. My favorite activities out in nature are looking at bugs, touching reptiles, and eating plants (non-poisonous ones obviously). When I'm at home, I love to cook, play games (board and video), garden, and bother my cats..

Hannah

Long Branch Assistant Site Coordinator

Hi, my name is Hannah! I graduated from the University of Cincinnati with a major in environmental studies. My favorite thing about nature is bugs and snakes. In my free time I like to go for long hikes, catch snakes, and collect insect specimens for taxidermy.

Sydney

Camp Counselor

Hi! My name is Sydney and I'm currently studying geological sciences at Ohio University. I'm very much looking forward to camp activities like creeking, fossil hunting, snake catching, and helping get the campers interested in nature!

Tyler

Camp Counselor

Hi! My name is Tyler. I am most excited about exploring the creeks and ponds, and seeing what we can find! When I'm not at camp, I work full time as an illustrator and merch designer. I love traveling and visiting new places!

Onion

Camp Counselor

Hi my name is Onion, I'm a nature lover from Kentucky, and I'm going to NKU this fall. The thing I'm most excited for about camp is playing in the creek and meeting new people! My favorite animal is a raccoon, and I've raised and rehabbed several :)

McKenna

Camp Counselor

Hi, I'm McKenna! This is my first summer with CNC. I graduated from the University of Montana with a major in environmental science and sustainability and a minor in wilderness studies. In my free time, I love backpacking, gardening, and camping with my dog Nellie.

Pheobe

Camp Counselor

Hi, I am Phoebe! I will be attending University of Cincinnati's Conservatory of Music in the fall to study Commercial Music Production. I love, hiking, rock climbing, and pretty much any adventure! In my free time, I am usually taking photos, playing guitar, or hiking

Madi

Camp Counselor

Hi! My name is Madi. I am from the Maineville area, and have spent every summer of my life outdoors. My favorite thing about nature is creeks! I am a graduate of Miami University and teach 5th grade at Mt. Healthy.

Caroline

Camp Counselor

Hi, I'm Caroline! I am so excited to be back at CNC. I graduated from Xavier University with a degree in Environmental Science, and I'm currently a student at Cincinnati State in the Interpreter Training Program. My favorite part of nature is being by the water and listening to the birds

Em

Camp Counselor

Hi, I'm Em! I've been volunteering at CNC since I was 6 years old, and I can't wait to teach kids about nature! In my spare time I love hiking, reading and doing arts and crafts. My favorite part of nature is all of the unique and wonderful birds, they've fascinated me since I was little

Nat

Substitute Counselor

Hello, my name is Nat! I'm an student at UC Blue Ash College majoring in environmental studies and biology. My favorite thing about nature is learning about native plant species. I also enjoy doing research, arts and crafts, and going for bike rides.

Abby

Substitute Counselor

Hi, I'm Abby!! This is my 4th summer with CNC as a counselor! I am going into my senior year at Gannon University as a Physician Assistant major! I absolutely love being outside and love to paddle board, hike, or just sit outside and read!!

Wyatt

Substitute Counselor

Hi, I'm Wyatt, a high school student from Cincinnati who loves hiking, the outdoors, and working at camp. I've been a LIT for 3 years, and I'm really excited for my first year as a counselor at the Cincinnati Nature Center!

Ryan

Substitute Counselor

Counselor bio coming soon!

Jazmyn

Behavior Specialist

Hi! I'm Jazmyn and I'm excited to return for my sixth summer at CNC Nature Camp. When I'm not at camp, I work in special education. I stay busy as a mom to three teenagers. I'm looking forward to another summer filled with nature, learning, and fun!

WHO'S READY FOR THE
BEST
SUMMER
EVER?
