your kids this summer!

Tisha

**Preschool Director/Early Childhood
Program Manager**

As the director/lead teacher of CNC's Nature-Based preschool, I oversee preschool summer camps, curriculum, and development activities for Early Childhood programs at the Cincinnati Nature Center. I hold a Bachelor of Science degree from the University of Cincinnati in Education, with an emphasis in STEM education. I have my Ohio Department of Education teaching license and have a Master of Science degree in early childhood. I am committed to providing a nurturing, hands-on classroom centered on the whole child.

Christine

Preschool Camp Counselor

Christine holds a bachelor's degree in art education and her Master's in Integration of the Arts into the Curriculum. She loves gardening, hiking, and mountain biking. In her quiet time, she likes to weave, create art, practice yoga and bein the outdoors.

Chelsea

Preschool Camp Counselor

Hi, I'm Chelsea! I'm excited to get to play, create, and learn this summer alongside your preschoolers. Nothing brings me more joy than adventuring outside. When I'm not in the woods, you'll find me cheering on the Reds or paddle boarding with my pups; Everest and Alpine. Can't wait for the wonder this summer will bring.

Izy

Camp Counselor

Hi, I'm Izy and this is my sixth year here at CNC. I hold my bachelor's degree from UC in early childhood education with an emphasis on nature-based education. A fun fact about me is that I just got married earlier this spring, and in my free time, my husband and I like to travel around to local bookstores and coffee shops. When I'm not here, I am at Starbucks or teaching music classes.
