

Summer 2019

Hi RAD Staff in Training Camper,

My name is Liesl Schnibbe and I'm Big Lake Youth Camp's associate director. You're registered for RAD Staff in Training (SIT), June 30-July 7, 2019, and I'm excited that you are interested in spending a week of your summer with our team! With your safety in mind, as well as the safety of our campers and staff, we thank you for filling out the reference form when signing up for this "in training" experience. After talking with your references, we can give you a green light for camp! We can't wait for you to come!

Get ready to experience life on a whole new level as a Big Lake staff member in training! By signing up for SIT, you have taken the plunge into what Big Lake Youth Camp (BLYC) is all about, experiencing the amped life of service!

During your week at BLYC you'll get a behind-the-scenes look at camp. You'll join us for staff worships, staff meetings and general staff (G-staff) work assignments! As part of the SIT program, you'll also experience a sampling of our various activities from the instructor's point of view. Our hope is for you to walk away knowing exactly what it means to be a staffer here.

A few things to think about before coming to camp:

- For your safety, please avoid all jewelry. Hoops and necklaces pose a danger of snagging.
- Expressing flexibility and willingness are key components to being a successful BLYC staff or SIT.
- Plan to dress modestly to avoid distracting other campers. This includes wearing a one piece swimsuit or tankini, shirts that don't show cleavage, appropriately sized pants, etc.

At Big Lake Youth Camp we have an awesome atmosphere of positivity and support. We are thrilled to share this experience with you, and look forward to your contribution toward keeping Big Lake amazing!

If you have any questions concerning your RAD camp, please let me know.

I look forward to seeing you this summer!

Sincerely,

Liesl Schnibbe
