VISION - MISSION

Summer@CMDS is Christ Methodist Day School's summer camp program. Our mission is to provide a Christ-centered, safe, supportive, and fun environment for campers. We provide activities that encourage movement, social interaction, educational opportunities, personal growth, and creativity. Day campers are divided into groups by age with activities appropriate to the interests, abilities, and needs of each group.

Our dedicated and experienced teachers and counselors are committed to creating a loving and nurturing environment for every child. We explore a different theme each week and have action-packed days filled with water play, arts & crafts, group games, and much more. In addition to day camp, we also offer an amazing lineup of enrichment camps. No matter what your child is interested in, Summer@CMDS is designed to creatively meet the needs of all campers.

Summer@CMDS offers seven fun-filled weeks of camp for boys and girls entering PK through 7th grade. Summer@CMDS is open from 7:45 A.M. to 5:30 P.M. Monday-Friday. Campers do NOT have to be CMDS students to attend, and we love having new friends join us every summer!

POLICIES AND PROCEDURES

HOURS OF OPERATION

Summer@CMDS is open from 7:45 A.M. until 5:30 P.M., Monday - Friday.

REGISTRATION

Before a camper may attend Summer@CMDS, on a 5-day or 3-day basis, online registration and a \$60 non-refundable registration fee are required. When registering for 5-day, 3-day, or drop-in, you are not able to decrease the number of days you are registered for, you are only able to increase it. If you would like to upgrade from drop-in to 3-day or 3-day to 5-day, this is accepted.

MULTI-SIBLING DISCOUNT

If you have more than one child registered for Summer@CMDS, you qualify for a multi-sibling discount. This 20% discount is exclusively applicable to the second and subsequent child's 3-day or 5-day reservation. Please note that it does not apply to "joining before/after enrichment or sports camps or any other selections." Additionally, this discount cannot be combined with any other discounts.

LATE PICK-UP FEES

Parents will be charged a late fee of \$25 for any pickup after 5:30 P.M. At 5:40 P.M., parents will be charged an additional \$5 per minute.

BILLING AND PAYMENTS

Participants are billed for all care on the first Monday of camp. Payments are only made through the Summer@CMDS online payment system. Registration for the program and/or enrichment classes is not accepted without the appropriate payment. Delinquent payments are subject to late fees.

PHOTO RELEASE

By registering for Summer@CMDS, you agree to allow CMDS to publish photos, videos, artwork, and any other materials in both online and printed communication unless you notify the Summer@CMDS Executive Director, Amanda Bardos, in writing.

POLICIES AND PROCEDURES

ENRICHMENT CLASSES

Registration: Participants can register and pay for enrichment classes online via UltraCamp. Many classes fill up, so we encourage you to register early to secure a spot. We have waiting lists for full classes. We do our best to get everyone off the waiting lists before enrichment camps begin. It is very important to get on a waiting list for full camps. Classes with insufficient enrollment (less than 5) are subject to cancellation with a full refund. There is no registration fee if you register your child for enrichment classes only (without day camp).

Full refunds for enrichment classes are available for withdrawals 5 business days before the camp beginning. Except in those cases of illness or emergency reported to the Summer@CMDS office before the start of an activity, refunds will not be given once the activity begins. No refunds will be issued for children who choose not to attend. For the safety and security of our campers, enrichment-only children left on campus after an enrichment camp has ended will be escorted to the Summer@CMDS Day Camp. Parents will be charged \$65, which is the daily drop-in rate for Day Camp.

CANCELLATION

The \$60 registration fee is non-refundable. You have 5 business days to change or cancel your reservations without penalty. If you cancel after the 5 business days prior, you will still owe for the cost of the camp week.

PICK UP AUTHORIZATION

Only authorized adults designated in the child's UltraCamp account will be permitted to pick up children from Summer@CMDS. If someone not listed on the child's UltraCamp account is scheduled to pick up, the director of Summer@CMDS must be notified in advance of the change. The parent or authorized adult to whom the child is being released must text the Summer@CMDS number and/or show proof of identification.

DISCIPLINE POLICY

Students who are dismissed from our school for behavioral reasons are not eligible to attend summer camp. Summer@CMDS reserves the right to dismiss from the program any camper whose behavior poses a discipline problem. No refunds will be issued for campers who are asked to withdraw. See "Discipline at Camp" page.

POLICIES AND PROCEDURES

POTTY TRAINING POLICIES

ALL campers - yes, this includes rising PK campers attending Summer@CMDS -must be potty trained before the start of camp. All campers must be able to abide by the policy below:

The definition for a fully toilet-trained camper is that he or she is capable and independent to do the following:

- A child should be able to use the toilet independently, remove and replace clothing for bathroom use, and wash hands after using the restroom, all with minimal help from the counselors/Summer@CMDS staff.
- He or she should be in underwear for the entire day, including nap time.
- All campers must keep a full change of clothes in the classroom because we recognize that occasional accidents may occur. Messy play can also be a factor in needing a change of clothes.
- If a child has multiple accidents or needs a more thorough cleaning, parents will be called to come and take the child home for the remainder of the day.
- Campers who have repeated accidents may require removal from camp for a period of time or dismissal.

All campers are offered many bathroom breaks throughout the day. Our PK-SK campers take scheduled bathroom breaks multiple times per day, including after snack, after lunch, before and after rest/quiet time, etc.

HEAT INDEX GUIDELINES:

To ensure the safety of all campers and staff, outdoor activities will be monitored based on the heat index, which considers both temperature and humidity. When the heat index reaches dangerous levels, outdoor activities will be limited or modified, and adequate hydration and rest breaks will be enforced. If the heat index exceeds a safe threshold, all outdoor activities will be suspended in favor of indoor or shaded alternatives. Camp staff will be trained to recognize signs of heat-related illness. The camp director will make final decisions regarding activity adjustments based on real-time conditions.

REGISTRATION

If you already have an UltraCamp account through CMDS:

1. Log onto www.tinyurl.com/cmdsultracamp.
2. Click “Make a Reservation.”
3. Click on child’s name.
4. Select the care you need for your child.
5. Click register at bottom right side of screen.
6. Confirm child’s information.
7. If you have another child, select “Add additional reservations” and select the next child’s name to repeat steps 3-6.
8. When you proceed to check out, you will see your full total. Click proceed to payment. (By clicking this, you are NOT paying in full.)
9. Here, you can choose to pay all items in full or select other payment options.

If you are new to UltraCamp through CMDS:

1. Visit tinyurl.com/cmdsultracamp.
2. Create an account by filling out the primary contact information.
3. Click “Make a Reservation.”
4. Click “Add a Person to my Account” to add your child.
5. Confirm grade level.
6. Select the care you need for your child.
7. Click register at bottom right side of screen.
8. Fill out child’s information.
9. If you have another child, select “Add additional reservations” and “Add a Person to this account” to repeat steps 4-8.
10. When you proceed to check out, you will see your full total. Click proceed to payment. (By clicking this, you are NOT paying in full.)
11. Here, you can choose to pay all items in full or select other payment options.

Additional Details

You will pay the \$60 registration fee at checkout UNLESS you are registering for an Enrichment Camp only. Enrichment Camp reservation payments are scheduled at the time of registration. They will be automatically drafted the day before the camp begins. You have 5 business days prior to a camp beginning to cancel or change a reservation. Every child who attends Summer@CMDS before/after an Enrichment Camp must pay the non-refundable registration fee.

THE STAFF

At the heart of our camp program are individuals who have energy, enthusiasm, and the desire and ability to work with children in a Christian environment. Each year we select only the most qualified and mature staff members to work with our campers.

For a person to become a member of the Summer@CMDS Camp Fun Professionals they have to:

1. Pass the initial screening of applications.
2. Successfully complete our orientation and training program.
3. Demonstrate a good attitude and strong work ethic.
4. Pass a background and sex offender registry check.
5. Never settle for less than excellence.
6. Above all - have a genuine love for children!

COMMUNICATION

We enjoy being able to see our camp parents every day. This is one of the great benefits of running a day camp. Besides being available to speak with you directly, we will also communicate through the use of emails. To promote a greener environment, we do not send home paper newsletters.

Because our counselors are assigned to work shifts and provide supervision to their campers, they are only able to bring your child out to you at the west end desk, then return to their classrooms or assigned area. Please speak with our program director in advance if you need to speak with your child's counselor.

In situations involving illness or injury at camp, we will try to contact parents if the child is uncomfortable or unable to continue the camp day. In the event of a sudden illness or serious accident at camp, we will use our best judgment in securing immediate emergency treatment for the camper as outlined on the UltraCamp form you fill out upon registration.

YOUR CHILD'S FIRST DAY

Every Monday marks the beginning of a new camp week, and we can't wait for your arrival. The first thing you must do is arrive at the correct place. We operate out of the west end of campus. Please enter through our Poplar Ave gates and meet at our Wilson Ross building west end doors, near the big playground.

Camp activities officially begin at 9:00 AM, and all campers should arrive by this time. Traffic is generally the heaviest between 8:45 and 9:30 AM. If you arrive during this time, please be patient as we work to show new campers where their belongings go.

When driving on the CMDS campus, please do not exceed 10 MPH, and always be on the lookout for playing children and loose balls rolling in the parking lot. **It's mandatory for parents to come to the west end desk when dropping off and picking up. All PK-SK campers should be walked to their room.**

Sometimes the first day causes a little anxiety, and we want you to feel comfortable leaving your children. If parting seems difficult, please don't be alarmed or feel guilty – this is one of the great educational benefits of camp that helps children learn to effectively deal with transitions. Any tears or apprehensions are generally gone within five minutes of the time that the parents leave, and we really want you to rest assured that your child is happy and having fun.

WHAT TO WEAR

We would like to see all campers wear shorts, shirts, water shoes or other appropriate outdoor footwear. Labeled swimsuits and a towel should be sent with the campers every day, as well as their own sunscreen. We ask that our female campers wear only a tankini or one-piece swimsuit and that our male campers wear a rashguard or shirt during all water activities. If a female camper arrives wearing a bikini, we will ask that she wear a t-shirt or cover-up for all water activities.

Monday is the day we show our camp spirit by wearing our camp t-shirts. Although not required, campers and staff are encouraged to wear their camp t-shirt every Monday.

Please make sure that all belongings sent to camp with your child are LABELED.

ALLERGEN PRACTICES

Food Allergens

Please be aware that our campus embraces a diverse environment and, while it is not allergen-free, we understand a wide range of dietary needs and preferences. We encourage individuals with allergies to take necessary precautions and inform the director about specific allergies, providing all required medications and paperwork. The safety of your child is our top priority, and we appreciate your cooperation in fostering a responsible and inclusive community.

Given that staff and campers may have varying degrees of allergies, particularly to various foods, including nuts, we adhere to the following practices:

- Staff undergo training on standard allergy-aware policies and the proper usage of epinephrine.
- An allergy-free zone is designated for a child with a food-related allergy. However, this zone does not isolate the child; instead, they will sit with others who are not consuming allergy-related foods.
- Campers with nut-related items or allergen-containing items in the same room as a child with allergies will eat in a designated area with others who do not have allergies to those foods.
- After snack and lunch, both campers and staff will follow standard practice by washing their hands and cleaning the table and eating areas.

In the event of an allergic reaction during the camp day, the following protocols will be followed:

- Follow the child's specific allergy plan.
- If necessary, call 911 after following the allergy plan.
- Contact the parents.

MEDICATIONS FROM HOME

Medications should be administered at home. However, if your child should need medication while at camp...

1. Completely fill out a “Camp Medication” form (these can be requested via email). Write down when the medication is to be given and in what dosage. We strongly recommend sending only enough medication for one week.
2. List any side effects and who to call if we have any questions.
3. Sign the form that authorizes us to administer your child's medication.
4. Send medication to camp in the original prescription bottle with the child’s name and doctor’s name. By law, we may not administer any prescription medication unless it comes from the correct bottle with the child’s name on it. along with current (with a recent date) and with correct dosage information.
5. All medication (even Tylenol and over-the-counter products) must be checked in at the front desk. No children are allowed to keep medication with them at camp.

Some of our campers take medication for ADHD. We realize that often it may seem like children don’t “need” this medication during the summer because it is a time to be free, have fun, and use energy without having to concentrate in the classroom. It is important that all campers are able to act in a safe manner at all times. Please allow us to work with you and your child’s physician to help understand our camp atmosphere so that the correct decisions about medication can be made. If you have any questions, call the camp director.

DISCIPLINE AT CAMP

Camp is the perfect environment to promote social skills and self-esteem in children. We encourage and work with campers to achieve these skills. The techniques we employ to accomplish this goal include both competitive and non-elimination games, group and camp cheers, age-specific groups and activities, low camper-staff ratios, positive reinforcement, and attention to the specific development of each child. The staff is trained in preventive disciplinary techniques that are quite effective, but the need for further action is sometimes needed. In this case, the counselors are instructed to generally use one of the following techniques, depending on the situation.

The techniques include:

1. Discuss with the child the problem and possible solutions.
2. “Sit out and watch” for 30 seconds to 5 minutes. The rule of thumb is for them to sit and watch for one minute per their age.
3. “Time-out” – a more formal form of sit and watch. Time out may include losing privileges or missing scheduled camp activities.

If a camper continues to break rules after discussion with the counselor, sit and watch, and/or time-out, then they are brought to a director along with a list of the problems and the measures taken thus far. The director will discuss the problem with the camper and, in some instances, call one of the child’s parents to notify him/her of the situation. Depending on the incident and the attitude of the camper, we may ask a parent to come and pick up their child or to schedule a conference. If problems persist or if the behavior involves physical or emotional harm to a fellow camper or staff member, then the camper may be suspended or expelled from camp. There are no refunds if a camper is suspended or expelled from camp for disciplinary reasons.

We want everyone to have a safe and happy summer. Sometimes these measures are needed to ensure a quality camp experience for all.

NO TELEVISION OR TECHNOLOGY

Summer@CMDS is proud to take a stand by not allowing the use of television or technology as part of our regular camp program. We feel children and adults in a camp setting have such wonderful opportunities to interact in games, sports, educational experiences, and plain old fun that TV has no place at camp.

We of course, realize the educational benefits television offers. Television may be used at camp in conjunction with adding music to our camp rooms, specialty camp, or for educational topics, but never to show movies or for pure entertainment value in place of a staff member.

Summer@CMDS does not allow electronic devices to be used during summer camp; this includes cell phones, Smartwatches, Gizmos, Kindles, E-readers, iPods, Gameboys, iPads, PSPs, Nintendo Switch, laptops, etc. This also includes any device that is 3G, 4G, or 5G enabled. We highly discourage campers from bringing electronic devices to camp as CMDS is not responsible for the theft or damage of these items. If a camper brings a cell phone or electronic device, it should be safely stored out of sight so there is no confusion as to whether the camper is using it. If a camper is caught with an electronic device or cell phone, it will be taken away and returned to the parent at dismissal.

ENRICHMENT POLICIES

Summer@CMDS offers a wide variety of enrichment camps held by our wonderful vendors and some of CMDS's very own teachers.

Participants can register and pay for enrichment classes online. Many classes fill up, so we encourage you to enroll early to secure a spot. We have waiting lists for full classes. We do our best to get everyone off the waiting lists before enrichment camps begin. It is very important to get on a waiting list for full camps. Classes with insufficient enrollment are subject to cancellation with a full refund. There is no registration fee if you register your child for enrichment classes only (without day camp).

Full refunds for Enrichment Classes are available for withdrawals 5 business days prior to the camp beginning. Except in those cases of illness or emergency reported to the Summer@CMDS office before the start of an activity, refunds will not be given once the activity begins. No refunds will be issued for children who choose not to attend once the camp has begun or after the 5 business days.

You will drop off and pick up your child at The Refuge at their assigned colored cone. You will receive an email one week prior with specific directions. Please text the AOK phone number when you have arrived at the Refuge.

If you are registered for our day camp, your child will be sent back to their assigned Summer classrooms for the remainder of their stay.

By registering for Summer@CMDS, you agree to allow CMDS to publish photos, videos, artwork, and any other materials in both online and printed communication unless you notify the Summer@CMDS Executive Director, Amanda Bardos, in writing.

LOST AND FOUND

It is highly recommended that you label all items (clothing, towels, lunch boxes, water bottles, camp T-shirts, etc.) with your child's name. We make every effort to keep all campers' belongings in their backpack, in lockers, cubbies, or on their person. Please make a quick check of your child's bag at the end of the camp day before leaving. Lost items are much easier to recover on the same day they are lost. If lost items are not collected within two days, they will be put on the table located outside the west end double glass doors. If lost items are not claimed by the last week of camp, all items will be donated.

FRIEND REQUEST POLICY

Camp is a great place to develop new friendships, and our staff members are trained to assist campers in this goal by welcoming new campers each Monday and working to be sure everyone feels included.

Due to the way our program is structured with small group sizes and the flexibility of weekly enrollment, there are limitations in trying to honor friend requests. Please recognize these limitations and help us prepare for your child's summer by following our friend request policy.

Friend Request Policy: Friends requesting to be together must be in the same grade/group level, and the request must be reciprocal, meaning that both parties must request each other. Requests should be made at the time of registration by emailing the summer camp team.

Although we work to honor the reciprocal requests that we receive, we cannot always honor friend requests. As we work to try and honor the reciprocal friend requests, we also try to keep a fair boy/girl ratio and try to make sure that campers coming to consecutive weeks can be kept with the same counselor.

SUMMER CHECKLIST

Remember to send:

- A labeled bag to carry all the summer camp essentials
- Two labeled changes of clothes in a labeled Ziploc bag
- Labeled water bottle
- Labeled Towel and labeled water shoes
- 1st-7th: Summer work or a book to read
- Labeled spray sunscreen and a face stick or roll-on
- TWO snacks and a lunch

(If you register for Pizza Thursdays, there is no need to bring a packed lunch on Thursdays)

- PK-SK: A labeled small blanket, dry towel, or Happi-Nappi

All belongings need to be LABELED
