“ **The work of today is the history of tomorrow, and we are its makers.** — Juliette Gordon Low ”

A century ago, Juliette Gordon Low assembled 18 girls in Savannah, Georgia, for the first local Girl Scout meeting. She believed that all girls should be given the opportunity to develop physically and mentally, as well as build leadership skills. With the goal of bringing girls out of isolated home environments and into community service and the open air, Girl Scouts hiked, played basketball, went on camping trips, learned how to tell time by the stars, and studied first aid.

In 2020, Girl Scouts of Utah celebrates our centennial, and 100 years of building girls of courage, confidence, and character, who make the world a better place. Throughout this catalog you will not only see photos of our Girl Scouts and their adventures at camp last year, you will also find photos from our past - reminders of the incredible experiences and memories Girl Scouts of Utah has been providing for 100 years.

“

Camp was a wonderful experience with counselors and campers that I will not soon forget. It tested my ability to be responsible, work as a team, and appreciate a different lifestyle, all while having the time of my life. The food was great, the environment was beautiful, and when I got home, I had a more positive outlook about everything. — *Anna, Camper*

I loved going to camp! The rock climbing was great and we learned about hard work and teamwork - the more fun way of course. I want to do it again and again!" — *Savannah, Camper*

My girls come back from Girl Scout camp more self-reliant and full of confidence. You are doing things right! — *Girl Scout Parent*

Camping provides girls a rich experience away from home. Camp is a great place for a girl to unlock her potential and discover the world and the great outdoor adventures that await her! This unique environment helps her develop positive self-esteem, leadership skills, and social skills all while having the time of her life!

The summer camp experience is truly a building block in the development of girls into successful and resourceful young women. In this outdoor setting, girls develop a strong sense of self, gain practical life skills, become resourceful problem solvers, and cultivate healthy relationships by living and working together.

GREETINGS FROM SENIOR DIRECTOR OF PROGRAMS

In a world of screens, our girls need to engage with their environment. In a world of competition, our girls need connection. In a world of cynicism, they need support. Girl Scout camp is the place where that all happens. In this safe, girl-only, girl-led setting, girls discover the power within themselves. They find the strength and resilience to confidently navigate their lives. My work at summer camps for seven years and at Girl Scouts of Utah for 17 years has confirmed for me the importance of the outdoor experience. That's why I'm here. I look forward to supporting our Girl Scouts through another summer of adventure and growth!

Mindy Harmon

Cloud Rim Director

I became a Camp Director so I could influence the character growth in the girls we serve, resulting in confident and brave go-getters. My hope is that all girls who come to Camp Cloud Rim feel a sense of family and belonging. I was born and raised in Nebraska and graduated from the University of Nebraska-Lincoln with a Bachelor of Journalism. I have been a Camp Director for 14 summers, and I am super excited to spend the 15th summer at Camp Cloud Rim. I can't wait for your campers to join our camp family this summer!

Candice Olson

Trefoil Ranch Director

My favorite thing about camp is seeing the pure joy a girl experiences when she completes a new challenge – that grin on her face says she can do anything she puts her mind to. I graduated from the University of Northern Iowa with a B.A. in Leisure, Youth, and Human Services. I have been a camp staff member at various Girl Scout camps, including Camp Cloud Rim and Trefoil Ranch, for 11 summers. In addition to my camp experience, I also completed a semester with the National Outdoor Leadership School's Outdoor Education program. I have loved directing Trefoil Ranch for the past four summers and can't wait for your girl to join us at camp in 2020!

Lauren Raivan

At Girl Scouts of Utah, we know you want your camper to grow as a person in a safe environment. We also know girls want to have a fun adventure. We work to provide both, by hiring and training qualified staff and offering a quality outdoor experience.

Girl Scouts of Utah's full-time Outdoor Program team is in place to ensure an exceptional experience for your Girl Scout – and peace of mind for you.

We look forward to meeting you and can't wait for your adventure to begin!

Our counselors are energetic and caring role models selected based on talents, skills, and experience. Counselors receive intensive training on risk management, program development, Girl Scout program and philosophy, age level characteristics, environmental education, behavior management, and outdoor skills.

Additional training is provided for adventure programs. All staff are CPR and First Aid certified. Male camp staff support horses, ropes course, archery, waterfront, and rock climbing, as well as kitchen and administration. Male camp staff have separate sleeping quarters.

Camp Cloud Rim sits at an elevation of 9,200 feet near Park City, nestled among the aspen and pine trees on the shores of Lake Brimhall. Camp Cloud Rim has beautiful facilities including a lodge and shower house, electricity, hot water, and flush toilets. Girls live in cabins or platform tents with staff located nearby. A highlight of Camp Cloud Rim is beautiful Lake Brimhall where campers can canoe, sail, kayak, and swim. Other activities include pottery, rock climbing, hiking, and backpacking.

Trefoil Ranch is located on 123 acres of beautiful ranch country tucked away in Provo Canyon. Trefoil Ranch features a lodge, ranch house, bunk house, showers, electricity, hot water, and flush toilets. Trefoil Ranch is home to about 20 horses, offering unique opportunities to experience equestrian programs. Girls live in cabins or platform tents with staff located nearby. Girls can enjoy horseback riding instruction, high and low ropes courses, archery, woodworking, hatchet throwing, biking, hiking, and other activities.

ACCREDITATION

Girl Scouts of Utah Camps are proud to be accredited by the American Camp Association (ACA) and meet high standards for program design and activities, site and food service, transportation, health and wellness, operation management, and human resources.

There are many options available to help get a girl to Girl Scout camp: Activity Credits, Tiered Pricing, and Activity Scholarships.

ACTIVITY CREDITS

Girl Scout programming is powered by the Girl Scout Cookie Program through Activity Credits. Girls receive Activity Credits to help pay for summer camps, day camps, program activities, Girl Scout membership fees, and items in the Girl Scout Shop.

For every 50 packages of cookies (from 50-349 boxes), girls earn \$12.50.

For every 50 packages of cookies (starting at 350+ boxes), girls earn \$15.00.

If a girl sells 1,550 packages of cookies, she can go to a week of horse camp using Activity Credits!

Each camp or activity indicates the number of packages of cookies a girl needs to sell in order to attend that program using Activity Credits. Girls can work with a supportive adult to use these quantities to help set their cookie selling goals.

Each camp requires a \$50 non-refundable, non-transferable deposit in addition to the number of packages sold.

You may choose to apply Activity Credits to a camp balance during registration or simply bring in or mail the credits to any Girl Scout office with a note indicating to which girl and which program the credits should be applied. You will receive an email confirmation once the payment has been applied.

Powered by the Girl Scout Cookie Program

Tiered pricing makes it possible for all campers to have the same experience regardless of what their caregiver can afford. Tiered prices are listed with each camp session description and should be selected based on the camper's budget. Girl Scouts of Utah strives to ensure all girls have the opportunity to experience camp. No financial documentation is required.

Activity scholarships are available if assistance is needed to pay for Tier Three (T3).

Tier One (T1):

The actual cost to run camps: staffing, program supplies, food, and maintenance costs.

Tier Two (T2):

Partially subsidized cost for families that can pay a little more, but not the actual cost of camp.

Tier Three (T3):

The standard fee that all families are asked to pay. Girl Scouts of Utah subsidizes the entire remainder of the cost.

ACTIVITY SCHOLARSHIPS

This program provides assistance for individual girl members who are registered Girl Scouts and wish to attend Girl Scouts of Utah-sponsored camps or programs, but are unable, due to financial restraints. This program is not a reward, nor is it a way to repay volunteer work a caregiver might have done for Girl Scouts. The decision to grant an activity scholarship, and the amount, is based on information provided on the application form. All information is confidential and discussed only by those responsible for allocating money.

Applications for an activity scholarship may be submitted after the completion of the initial registration and the \$50 non-refundable, non-transferable deposit is paid. Scholarship applications are due April 1. Scholarship awards will be applied to camp balances no later than May 1. All applications received after April 1 will be awarded based on funding available at that time.

Apply for activity scholarships at: www.gsutah.org/camp

*Horse Program Details

Camper in equestrian programs will be grouped according to experience level, and lessons will be geared toward the least-experienced rider. Lessons include riding instruction, stable maintenance, and ground school (learning about the animals and tack and how to care for them). Horseback riding is a sport that requires physical coordination, balance, and the ability to follow directions. Girls in horseback riding programs will hike daily to the stables, which are located a half mile uphill from the main camp.

Leadership Progression Chart

Is camp life the only life for you? Do you dream of being part of our camp staff? If so, our leadership program is for you! Build skills toward becoming a camp counselor as you are mentored by camp staff while you mentor younger girls at camp. Earn leadership awards as you develop leadership skills that will serve you well throughout your life.

Participation in Leader-in-Training (LIT) requires girls complete an application and interview before participating in the leadership programs. LIT is the prerequisite for Counselor-in-Training I, Wrangler-in-Training I, Counselor-in-Training II, Wrangler-in-Training II, and Junior Counselor/Wrangler. Any girls who are new to Girl Scouts of Utah's leadership track must also fill out an application and participate in an interview.

Leader-in-Training (LIT)

Camp Cloud Rim

Troop Camping at Summer Camp

Girls and their troop leaders can experience camp together during a three-day session at Cloud Rim or Trefoil Ranch in June, July, or August each summer. Camp staff and troop leaders will work together to provide a fun, engaging, and relevant outdoor experience for the girls. Registration opens January 23, 2020.

Information and Registration:

STEP 1 — SET UP OR VERIFY YOUR ULTRACAMP ACCOUNT

Beginning with the 2020 summer camp season, all outdoor program registrations, forms, and healthcare will be housed in UltraCamp – Girl Scouts of Utah’s Outdoor Program’s registration system. This is a separate system from your MyGS account.

Families are encouraged to set up their UltraCamp accounts prior to registering for Resident Camp.

VISIT

www.gsutah.org/camp, click “Manage my UltraCamp Account” to be connected to UltraCamp.

NOTE:

Don’t use www.ultracamp.com as it is for administrative login only
OR your MyGS account.

OPTION 1: EXISTING FAMILY ACCOUNTS

Families that had at least one girl attend Resident Camp in 2019 have existing UltraCamp accounts.

- Enter your Login Username and Password.
- Select the “Forgot your login information?” if needed.
- Your “My Account” page will appear with your “Account Members” displayed.
- To review your account members, click on a person’s name.
- Their account information now appears.
- Select the “Edit my bio information” if needed.
- Select “My Account” to go back to the main page, listing your account members.
- Continue to verify account members and add members as needed.

OPTION 2: CREATE A NEW FAMILY ACCOUNT

- Select “New Account” from the “I DO NOT have an account” section.
- Enter the “Primary Contact” information for your family’s account.
- Click “Create Account”, then when the new screen appears, click on “My Account” on the navigation menu.
- Your “My Account” page will appear with your “Account Members” displayed, showing your Primary Contact’s name.

HOW TO ADD A PERSON TO MY ACCOUNT

- Under “Account Members” click “Add a person to my account.”
- Fill out that individual’s information.
- Click “Save Person.”
- Repeat as needed until all girls attending camp have been entered, along with a primary contact.

Now your Ultracamp account has been set up and you’re ready to register for resident camp! UltraCamp FAQs are located at www.gsutah.org/camp, click “Manage my UltraCamp Account.”

STEP 2 — FIND YOUR SESSION AND REGISTER!

There are three different ways you can access the registration page for a Resident Camp session. Camp registration is on a first-come, first-served basis.

OPTION 1:

- Visit www.gsutah.org/camp and click “Summer Camp” under “Ways to Camp.”
- You’ll see summer camp sessions listed by camp property, then by grade levels – find your desired program.
- Click on desired session and select “Register Now” to be redirected to UltraCamp.
- Your session will appear, select “Register Now” (takes you to the login page in UltraCamp), enter login information, and then complete registration and payment screens as prompted.

OPTION 2:

- Visit www.gsutah.org and click on “Activities” from the navigation menu.
- Use the “Event Calendar” or “Event List” to find your desired session.
- Click on desired session, select “Register Now” (that takes you to the login page in UltraCamp), enter login information, and then complete registration and payment screens as prompted.

OPTION 3:

- Visit www.gsutah.org/camp, click “Manage my UltraCamp Account” to be connected to UltraCamp.
- Click “Make a Reservation” from your account’s main page, select the name of the individual you want to make a reservation for, and a list of available sessions will be displayed. Click desired session. Complete registration and payment screens as prompted.

DURING THE REGISTRATION PROCESS YOU WILL BE ASKED TO PROVIDE THE FOLLOWING:

- Camper's T-shirt Size: All campers will receive a camp t-shirt during their camp session for no additional charge.
- Apply 2020 Activity Credits to My Camp Balance – Yes or No:
 - Selecting “yes” allows Girl Scouts of Utah not to mail your camper's Activity Credits at the end of April; instead they will apply the Activity Credits to your camper's balance in UltraCamp.
 - After the camp balance is paid, any remaining Activity Credits will be mailed to the camper.
 - Note: This will only be an option during registration until April 15.
- Deposit Money to my Camper's Trading Post (Camp Store) Account:
You may choose to add money to your camper's trading post during registration. You may also add additional money to her account during check-in day if desired. See page x for more information about the Trading Post.

CAMP FORMS

Camp forms, including requesting a buddy, special diets, health information, and so forth, will appear on your family's main UltraCamp Account page. All camp forms are due May 20, 2020. If registering after this date, you will be prompted to fill out forms after you register for the session.

STEP 3— CAMP PAYMENT OPTIONS

Registrations prior to May 20, 2020:

OPTION 1:

- Pay in full by credit card or electronic check at the time of registration.

OPTION 2:

- Pay \$50 non-refundable, non-transferable deposit by credit card or electronic check for each program, due at the time of registration.
Full balances are due on or before May 20, 2020.
- Pay balances (partial or in full) by credit card or electronic check through your family's UltraCamp account (log in, click on "Make a Payment" under "Common Tasks" on left hand side).
 - Pay balances (partial or in full) with Activity Credits by submitting them along with a registration receipt through mail or in-person to a Girl Scouts of Utah's office.
 - Unpaid balances after May 20, 2020 will result in cancellation of program registration.

REGISTRATIONS COMPLETED ON OR AFTER MAY 20, 2020:

- Pay in full by credit card or electronic check at the time of registration.
- Still need to apply your Activity Credits to your camp fee? Activity Credits can be applied retroactively by mailing a copy of your registration receipt along with the Activity Credits you want applied to a Girl Scouts of Utah's office location. Upon receiving Activity Credits, a refund will be issued on your credit card or if initially paid by electronic check, a refund check will be issued.

CAMP BUDDY

Your camper may request one buddy online, however the system does not automatically place them together – that is up to you. If your camper wants to go to camp with a buddy, make sure to register for the same session.

When registering, there is an opportunity to list the name of your girl's camp buddy.

CONFIRMATION EMAIL

Once you have completed the registration process you will receive an email notifying you that your registration has been accepted for the camp program(s). Beginning in April, you will also receive a confirmation email, which will provide more information regarding your Girl Scout's camp program.

HEALTH FORMS

Girl Scouts of Utah's 2020 Summer Camps use UltraCamp for all resident camp programs. After registering for a resident camp program, you will receive an email with information about how to complete your camper's health information.

CANCELLATIONS AND REFUNDS

The \$50 deposit is non-refundable and non-transferable to other girls or other camp programs for the same girl.

The remainder of the camp fee (\$50 deposit excluded) will be refunded if:

- Girl Scouts of Utah receives a written (email) notification of the cancellation at least five weeks prior to the camp program.
- Camper leaves the camp program due to illness or injury and Girl Scouts of Utah receives a written (email) request for a refund within two weeks after camper returns home. Refund will be pro-rated on per-diem basis.
- Camper cannot attend the camp program because she becomes ill or injured and Girl Scouts of Utah receives a written (email) request for a refund, with a physician's note, within one week after scheduled camp program.
- Girl Scouts of Utah cancels the camp program and alternative programs were offered, but you choose to not select an alternative program.

No refunds will be provided if a girl returns home due to homesickness, misconduct, parent/guardian request, and/or any other circumstance.

IMPORTANT INFORMATION

Girl Scouts of Utah plans quality programs for camp with the health, safety, and well-being of campers as our first priority. Some sessions may be altered or canceled due to weather, fire, natural disaster, staffing concerns, or low registration numbers. The Camp Director may determine whether a girl is competent to participate in any activity, and, if necessary, transfer her to another program. When necessary, campers will participate in alternate activities. No refunds will be issued if changes are made to activities due to weather, fire, or natural disaster. If a session is canceled due to low registration numbers, campers will be given the opportunity to select another program. Campers are expected to follow the Girl Scout Promise and Law. If a camper is unable to follow camp guidelines, damages property or becomes a danger to herself or others, the Camp Director will work one-on-one with her and/or may choose to send the camper home.
