Summer Camp 2025

Dear Parent,

We look forward to seeing your child at camp this summer! This letter contains necessary information for summer camp. Here are some times to keep in mind:

Drop-off: Sunday between 3:00-4:30 pm

Pick-up: Friday between 5:30-6:30 pm. (except half-week programs)

Required Camper Health Form: In addition to this letter, you should have received in your original confirmation email a PDF attachment of the Camper Health Form.

- Page 1 is to be completed by a parent/guardian
- Pages 2-3 are to be completed by the camper's doctor.

Please submit this to your doctor in advance so that you can have this form completed prior to camp. Bring the original with you for check-in on Sunday. There is no need to submit the form in advance, but please note that due to Dept. of Health regulations alternate forms, including school health forms & physical summaries are not sufficient.

Parent's Questionnaire: This form can be completed electronically through your online account and is helpful for our staff to know how we can best serve your camper. Click the link in the email to access the form.

Luggage and Packing:

****Important:*** All medications being brought with the camper must be in their original bottles (prescription or OTC) with proper labels. They will be given to the nurse during check-in. No medications may be kept on the camper except as authorized by the doctor's portion of the health form.

When packing, it is helpful to mark the camper's name on all clothing and personal belongings.
