

Summit Yosemite Backpacking

REQUIRED GEAR LIST

Please note: the following gear list is not just a suggestion but is REQUIRED to participate in this session. Camp staff will perform a gear check-off with campers before departing from base camp. Non-cotton clothing is strongly recommended. This is for the safety and enjoyment of your camper.

- T-shirts (preferably synthetic or wool, not cotton!)
- Pants with zippers or shorts (preferably not jeans)
- Warm pants to sleep in
- Cool Long-sleeve shirt (for sun or bugs)
- Short sleeve shirt
- 2-3 Underwear
- Warm jacket
- Gloves
- Beanie
- Rain jacket or poncho
- Bandana
- 3 pairs of non-cotton socks
- Personal sleeping bag
- Swimming suit (one piece or t-shirt/shorts for girls, boardshorts for guys)
- Shoes comfortable for hiking in all day (Note: Shoes can make or break your trip! A good pair of tennis shoes that you know won't give you blisters after long periods of hiking will be great. Hiking boots that you've used before and are comfortable with are a great option. New, never worn before hiking boots, however, can cause blisters and sore feet very quickly.)
- Sunscreen
- Lip balm
- Sunglasses
- Sun-shielding hat
- Headlamp or small flashlight
- Extra batteries
- Water bottles or hydration system (1-liter minimum, preferably 2 liters)
- (Disposable plastic water bottles are NOT allowed.)
- Toothbrush/toothpaste and toiletry kit
- Small towel or washcloth
- Bio degradable soap (such as Dr. Bronner's)
- Backpacker's pillow

- Camera
- Insect repellent
- Journal
- Hair brush
- Hiking poles
