CHECK-IN

Check in will be from 6:30-8:00PM on Friday, September 19, 2025

You will see signs as you get closer to camp. Once you get on Walkers Chapel Road you will use the second entrance. The first entrance gate will be closed.

Continue straight until to see the second entrance. Once you enter camp you will continue down the road toward the giant white tents. Here you will be greeted inside your car, this first stop will include a check-in and a temperature check for each individual.

Once you are finished at the first stop you will be directed down towards the cabins to park your car and unload. Do not worry your cabins are NOT far from the parking lot.

Once you arrive at camp on Friday evening, plan to stay on property through the end of the program on Sunday morning.

REMINDER!

- **We will NOT serve dinner on Friday. Please have your family eat before arriving to camp! We will provide an evening snack later Friday night!**

CHECK-OUT

Fall Family Camp will conclude around Noon on Sunday, September 21! Families can utilize the help of their family buddy to get luggage packed in their cars. Again, the parking lot is close to the cabins.

ABOUT CAMP KUDZU

MISSION:

Camp Kudzu educates, empowers and inspires children living with diabetes.

VISION:

To create a community where life with T1D is without limitations- everywhere Kudzu grows.

PHILOSOPHY:

Camp Kudzu values **fun** and believes...that our children come to camp to be joyful, playful, and spirited, and they benefit from rediscovering the lighthearted side of life.

Camp Kudzu values **excellence** and believes...that our children, our volunteers and our staff deserve high quality programs, preparation, medical care and facilities.

Camp Kudzu values **education** and believes...that our children learn best when they are relaxed, receptive and exposed to medical and life lessons in many forms.

Camp Kudzu values **safety** and believes...that our children feel free to stretch their capabilities when adventures take place with supervision, standards of diligent care and in a secure environment.

Camp Kudzu values **friendships** and believes...that the magic of camp arises out of camaraderie, acceptance and support. Peers and mentors influence our youth far beyond the confines of our programs.

Camp Kudzu values **diversity** and believes...that our community is most relevant and strongest when we embrace children and adults of all racial, ethnic and economic backgrounds.

Camp Kudzu values **community** and believes...that belonging to a camp community is empowering, and that life's challenges may be less daunting when drawing upon the contacts and resources made through camp.

Camp Kudzu values **fiscal responsibility** and believes...that it is our responsibility to exercise fiscal discipline and increase fundraising so that we might increasingly address the needs of our community.

GOALS & OUTCOMES:

- Families will be able to establish proactive patterns for living with type 1 diabetes.
- Campers & families know how to build friendships to have a social support network.
 - Campers will meet at least one positive role model, a person living with type 1 diabetes, while at Camp Kudzu.
- Campers will show improvement in a health skill area at Camp Kudzu.

WEEKEND OVERVIEW

This will be a fun, laid-back weekend full of learning opportunities and camp activities. You'll have a chance to connect with other families, campers, and siblings all weekend.

Throughout the program, campers will have an opportunity to engage in traditional camp activities, including arts and crafts, fishing, and rock climbing! At times, parents & guardians will be scheduled to participate in special, Parent/Guardian-Only education sessions and discussion groups, led by professionals who have experience, education or are living with type 1. During these parent specific sessions, your children and teens will be in activity groups with our trained Camp Kudzu volunteer staff.

Keep reading for details on meal times, a sample schedule and the packing list!

MEALS

Meals will take place in the camp Dining Hall! Each family will be assigned a table in the dining hall, which will be your table for the weekend. Carbohydrate counts and allergen information will be provided! A member of the Camp Kudzu team will walk everyone through all Dining Hall procedures at breakfast on Saturday morning.

We promote and serve healthy food choices and can accommodate any allergy or intolerance as long as we are aware of the need in advance. If you have not yet specified food allergies or dietary restrictions (i.e. vegetarian, vegan, Celiac) on your application for EVERY family member, please email Natalie Vinson at nvinson@campkudzu.org so that we may make accommodations to best serve you.

Snacks will be available throughout the day. Therefore, there isn't a need for you to bring any outside food to camp. We try to eliminate outside food to reduce our risk of cross contamination from common food allergens in the dining hall and around camp. If you need to bring outside food with you into camp, please email Natalie Vinson and ensure that all food is completely nut free. Last but not least, please arrive on Friday evening having already eaten dinner. There will be a bedtime snack available later in the night.

WEEKEND OVERVIEW CONTINUED...

EXPECTATIONS & PROHIBITED ITEMS

1. For security measures, Camp Kudzu name tags are to be worn at all times.
2. Campers should always be accompanied by an adult family member (except during education sessions when campers will be supervised by Camp Kudzu staff).
3. Campers and staff are visitors to Camp Grace and are expected to be respectful of the facility by not damaging the property.
4. When you are away from your cabin, please turn off the lights to conserve energy.
5. Since cabins are close to each other, quiet hours begin at 10:00 pm.
6. Activity areas are closed when certified, trained staff are not present. Access to these areas (climbing wall, lake front, etc.) is controlled.
7. The camp gate will remain closed for the weekend and we ask that all families stay on camp property and do not leave unless otherwise discussed with a Kudzu Team Member.

The following items are NOT permitted at camp:

- Knives, guns, weapons of any kind, and dangerous items
- Pets, no matter how cute, may not accompany you for the weekend
 - Personal equipment such as sports and electronics
 - Possession or use of alcohol or illegal drugs
- Smoking is not allowed in or around camp buildings or activity areas.
