PREPARING FOR CAMP

EXPECTATIONS & PROHIBITED ITEMS

1. For security measures, Camp Kudzu name tags are to be worn at all times.
2. Campers should always be accompanied by a volunteer staff member (follow the rule of 3!)
3. Families and staff are visitors to Camp Grace and are expected to be respectful of the facility by not damaging the property.
4. Activity areas are closed when certified, trained staff are not present. Access to these areas (climbing wall, lake front, etc.) is controlled.
5. The camp gate will remain closed for the duration of the camp session and we ask that all staff & families stay on camp property and do not leave unless otherwise discussed with a Camp Kudzu Staff member.
6. It is an expectation that families are following the schedule and parents attend education sessions. If you plan to not participate in something noted on the schedule, please let a Camp Kudzu staff member know so we are aware of your family's location.

The following items are NOT permitted at camp:

- Knives, firearms, weapons of any kind, and dangerous items
- Pets, no matter how cute, may not accompany you for the weekend
 - Personal equipment such as sports and electronics
 - Possession or use of alcohol or illegal drugs
- Smoking (including but not limited to cigarettes, cigars, vaping machines, etc.) is not allowed at camp.

WHAT TO WEAR AND BRING

- Comfortable shoes for walking around camp. Campers will have the opportunity to rock climb. Closed toed shoes are a MUST for these activities.
- Towels. Campers and families will have the option to do canoeing, and we cannot guarantee dry seats.
- Comfortable clothes. You will spend the day traveling around camp and doing various activities. We encourage checking the weather for Roberta to be best prepared.
- Water bottle. We will have water filling stations around camp.
- All diabetes supplies you will need for the day. We will have a staff member in our med lodge to help with basic medical needs (bumps, scrapes, bruises) and over the counter medicines. All diabetes management is up to the family. We will have a medical team onsite for any questions throughout the day.
- Small bag or backpack to carry necessary items in. Parents and campers will be split throughout the day.
