

Hello M.A.D. Camper,

We are thrilled to hear that you are coming to RRCC 2019 MAD Camp! The theme for this year's camp is "Obedient." During our week of camp, in addition to developing our music, art, and drama skills, we will be exploring what it means to obey God by loving others.

We will have exciting worship, engaging large group time to study God's word together, free time (when you can play games or swim or just hang out with new friends), canteen (snacks), and small group family time. There will be a movie night, campfires, a trip down the zip line, and more. We'll have our annual talent show on Friday night.

If you would like to sing or play a song for the show on Friday night, *please have the song selected before you arrive. If you need a backing track, please have that available as well.* Please remember that the focus of this week is to learn how we can use our gifts for the Lord. We want any music you choose to do the same.

During the week, we'll do a service project to benefit children in Uganda. We are going to cut out denim shoe components that can be assembled into sturdy shoes. The shoes will help to keep parasites from infecting children's feet. If possible, *please bring a pair of fabric scissors* to camp with you. Our offering for the week will help to offset the shipping costs; if you'd like to make a donation, please turn it in at camp check-in. To learn more about our project, please visit solehope.org.

If you have any questions about camp, feel free to email me at creativearts@centrallive.net.

We look forward to seeing you and getting to know you at camp.

Tony Ross
