Facilities

With over 250 acres of property, SMCC offers all sorts of activities that make camp a fun, amazing time for everyone. The Joy Center contains a gym for basketball, volleyball, and other games; climbing wall and giant swing; game room with foosball, ping pong, etc.; arts & crafts; and more. Outdoors we have a swimming pool, ball fields, sand volleyball court, Ga-Ga Ball arenas, 9 Square in the Air, archery range, 18-hole disc golf course, a lake for fishing and boating, campfire areas, and hiking trails. We also have a High Ropes Tower with double zip lines for older campers and a Low Ropes Course for all ages.

Spiritual Emphasis

We want to help campers experience the love and grace of God. With this focus, our theme this year is The Amazing Grace. We will use the imagery and concepts of a race around the world to teach campers how amazing God's grace is. Campers will attend nightly chapel services with fun, exciting lessons which include singing, skits, puppets, videos, games, and object lessons to teach the truths of the Bible. Also, campers will participate in small group Bible discussions led by the Cabin Director. On Fridays, we provide an opportunity for campers who have made a profession of faith to be baptized. Parents who do not wish for their child to be baptized here can easily indicate so on the camper application.
