You can also email your camper at info@camppatmos.com. *Make sure your camper's **name** and **program** (e.g. Junior, Middle School, High School) are in the subject line.*

Campers should bring clothes they can be active in. This includes tennis shoes and water shoes! Shorts should be finger-tip length with arms extended straight at the sides. Campers with short shorts and revealing tops will be asked to change. Swimsuits for girls need to be one-piece or modest tankini's that cover camper's midsection. No speedos for guys.

Can I visit my camper?

We would love for you to come see where your camper will be staying for the week. You are welcome to join your camper on the ferry ride over to Kelleys Island and the tram ride to camp on check-in day. You can purchase your ferry ticket before heading to camp, and if you tell them you are coming to Camp Patmos, you will receive a small discount. Please wait by the camp office for our parent camp/island tour to begin around 1:30-2:00. The tour will last about two hours and will conclude with a drop off at the ferry for parents to return to the mainland. ***We require that you sign-up during camp check-in on Monday as you drop off your camper(s).***

For the safety of all campers, we do not allow visitors during the camp week other than the scheduled Monday drop off and tour listed above. Visitors must always check-in at the camp office directly upon arriving at the camp.
