

Our first in-person rehearsals since February of 2020 will take place May 15, 22, and June 12 at Denmark High School in Alpharetta, Ga. These rehearsals will be free and open to all members who reside within comfortable commuting distance and to anyone interested in auditioning for the 2021 drum corps. Therefore, anyone heretofore on the fence about marching this summer can stop by for a test drive at no charge.

Due to the one-day nature of these rehearsals, meals will not be provided.

Check-in time for these one-day events will be 9 a.m. Rehearsals will begin at 10 a.m. and close at 3 p.m. UltraCamp registration links are provided below. Safety protocols will be in place for all rehearsals and we will be limiting capacity to current corps members or those of marching age who are interested in giving us a try. No spectators of any kind will be allowed.

If you have any questions, please contact us at membership@spiritdrumcorps.org.

Instruments

- If you have a corps horn please bring it.
- If you don't have a corps horn, but have your own horn please bring that
- If you need a horn please let us know and we will try to arrange for an instrument to be provided
