

Hi Parents,

We know many of you experienced delays getting to and from camp today—thank you for your patience. Unfortunately, [MDOT's M-139](#) repaving project has created significant traffic issues in Berrien Springs during our camp week.

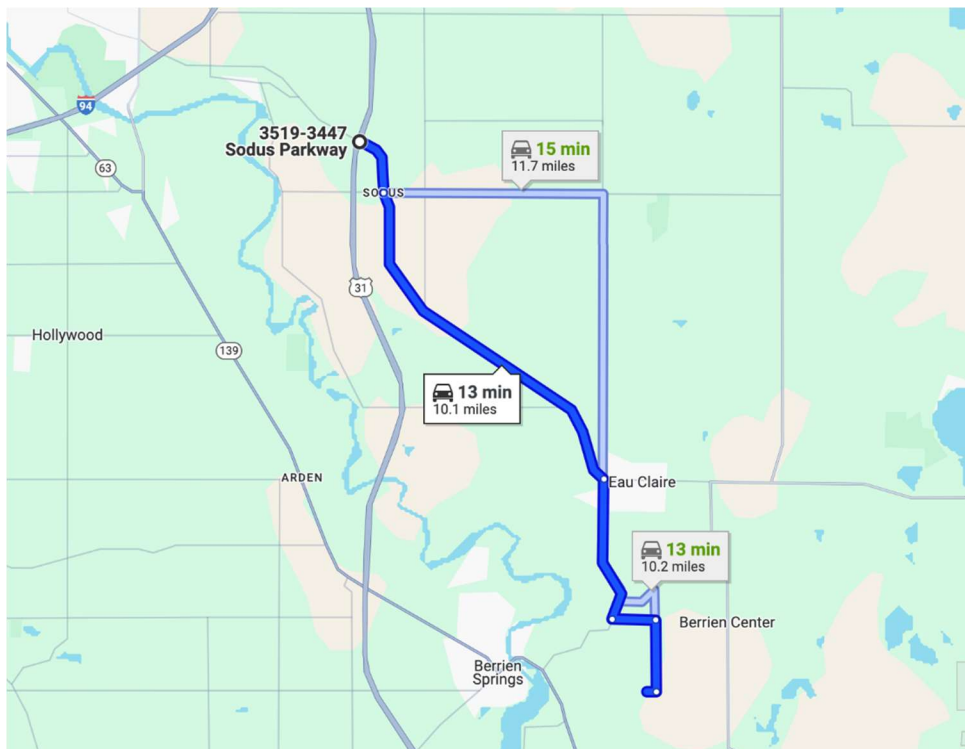

To avoid delays, especially if you're coming from the north (St. Joseph, Stevensville, or Benton Harbor), we recommend the following alternate route:

- ➔ Take Sodus Parkway east toward Pipestone Road
- ➔ Follow Pipestone Road into Eau Claire
- ➔ From Eau Claire, take either Hochberger Road or Linn Street south to reach Five Pines in Berrien Center

This route bypasses the construction zone in Berrien Springs and should offer a much smoother drive.

📍 6597 Smith Road, Berrien Center, Michigan 49102

Thanks again for your flexibility—we're excited for a great week at camp!

If you are coming from south county, please stick to M-140 and avoid M-139!
