

Summer Camp 2015

Dear Rock Climbing Camper:

We are looking forward to seeing you soon! Here is some information for you to be better prepared for a great week.

You're in for a real adventure as we do orientation and preparation onsite on Monday morning. Monday afternoon we'll head to Foster Falls near Jasper, TN, where we'll be camping at night. Tuesday afternoon we'll head to Cloudland Canyon where we'll be climbing during the day and tent camping at night. Wednesday we'll make a day trip to Sunset Rock for a climb and then back to Cloudland Canyon for camping and climbing on Thursday. Then it's back to Cohutta Springs for a great weekend together.

You are welcome to bring your own camping gear, however, Cohutta Springs will provide all of the non-personal items that you will need to have a super week. In addition to the packing list in the Parent Pak here are few additional items you will need:

- Small daypack to hold the following: water bottle, chap stick, sunscreen, bug spray, etc. (these items are available in the camp store)
- Sleeping pad (optional)

You will need to bring your own harness and climbing shoes or plan to rent them for a \$40 fee. Be sure to sign-up online for your rental if you have not already taken care of this.

For your peace of mind, our RAD Camp Director is a registered nurse and our Rock Climbing RAD Camp has certified Lifeguards on staff with current CPR certification. 911 EMS response is approximately 15 minutes to our RAD Camp location.

If you have any questions call our Calhoun office at 706-602-7346. We look forward to seeing you soon!

Sincerely,

Rob Lang
Camp Director
