

OUTDOOR ACTIVITIES

Camp Rivercrest is the center for a variety of activities! From a relaxing, back-to-nature hike, to the adrenaline-rush thrill of soaring through the air, you can find it here. Below are just a few of our activities:

Giant Swing - You and your group will have loads of fun on our 30-foot swing. After getting strapped in, your team will pull you as high above the ground as your heart desires. Then, let go and enjoy a thrilling ride!

Climbing Wall and Observation Tower - Our 40-foot climbing wall is a blast for all ages! Different levels of difficulty can provide a challenge for everyone. When not climbing, enjoy the attached lookout tower, where you can observe 100 feet over the Platte River!

Zipline - Experience flight like never before on our zip line! Take a 380-foot trip through a forest ravine. As one of our most popular attractions, the zip line is sure to be a hit with first-time adventurers and experienced thrill seekers alike!

High Ropes Course - Our high ropes course contains three elements that will push you to your limits. Walk across a log in mid-air, balance on a high wire, or take the leap of faith and jump off the pamper pole. It is a great bonding experience and provides a fun, action-packed activity for young and old alike.

Challenge and Initiatives Course - Challenge your group to grow closer and work as a team as we push you to use critical thinking skills to solve problems on this unique course. This is a great teambuilding activity for schools, youth groups, adult groups, and mission teams. From encouraging your teammates to balance on a wire, to your entire group working their way across an obstacle course, there are opportunities for everyone to be challenged!

WHY CAMP RIVERCREST?

Convenient Location · **Friendly Staff** · **Peaceful Environment** · **Free WIFI** · **Meal Service Available** · **Audio/Visual Equipment Available**
