Week 6: July 18 - 22

Our second week of camp has been filled with more language and cultural learning as well as arts and crafts! Campers had fun learning traditional Mexican dances in Spanish and making their own mini *mercados*, while Mandarin students created amazing origami sculptures. Cartoon drawing and music gave them more opportunities to show their creativity. On Friday, campers were treated to a scoop of ice cream from Loard's, which did not disappoint. Then we continued our walk to the Commons to play in the park. What a fantastic day!
