

Explorer Camp News

Week 7: June 25 - July 29

This past week, Explorers got to perform for their Mini friends in Spanish, and dazzled with their new knowledge! Not only have they been building on their projects from language and culture class, but are speaking and dancing in amazing new ways.

Whether painting, performing, or speaking a new language, Explorers have been getting to express their creativity. We finished up the week with an amazing magic show from a real magician, John Gardenier. He even revealed some of his tricks for us and taught us a few to take home at the end! We look forward to a fantastic final week of camp.
