Week 2: June 20 - 24

Our second week of camp has been filled with more arts and crafts, as well as more Spanish language and cultural knowledge! Students had fun creating Shrinkydinks, beaded keychains, Playdoh, and more. On Friday, campers were treated to a show from the Bubble People, which did not disappoint! After the bubble show, we tried to use the same techniques to create our own bubble magic, with great success, and then followed up with birdhouse painting. They learned about different art materials and created some truly beautiful works of art. What a blast!
