Week 6: July 18 - 22

Our second week of Session 2 has been filled with more arts and crafts, as well as more Mandarin language and cultural knowledge! Campers had fun creating dancing rings with ribbons, stepping stones, watercolor, slime and pasta necklaces. They were also very interested in magnet tiles and digging in the sandbox. Friday, they were treated to a water play day, which did not disappoint! Campers used mini pools, water toys, and sprinklers to turn the turf into a water playground and loved soaking up all the fun and sun. What a blast!
