

# Mini Camp News

Week 8: August 1 - 5

As we reach the end of our time together, Mini Campers put their Mandarin knowledge to use! Ask your campers to sing you a song from their class- I've included a link in this email so that they can access these songs from home as well. To celebrate all the learning and hard work they have done, we had a pizza party and a bounce house! It has been so much fun to get to know all the Minis, and we hope that they have had an unforgettable experience here at camp. Enjoy the school year and we look forward to seeing you again next year!
