Enrichment Activities

We had a lot of fun painting aprons with Philippa in Art. We got to use those aprons in Cooking with Philippa and made pickles and guacamole. Erin and John played exciting games like musical hula hoops and don't wake Mr. John.

Friday Fun Activities

The first Friday, we had John the Magician come visit us and wow us with his tricks. Then for this scorching hot Friday, we splashed in sprinklers and pools to keep us cool.

Thank you for joining us this session. We had a lot of fun together.
We look forward to the adventures we'll have in the next.
